# Curated Creations: Handpicked Gourmet Cheeses

### 18-MONTH AGED COMTÉ

Originating from France and expertly crafted by a world champion affineur, the 18-Month Comté showcases the pinnacle of cheese-making artistry. Aged for 18 months using exclusively summer milk, this exceptional cheese offers a rich and nuanced flavour profile. Its creamy texture is enhanced by delicate protein crystals, delivering a luxurious mouthfeel.

### WENSLEYDALE WITH CRANBERRY

Savour the exquisite combination of classic Yorkshire Wensleydale cheese from England, renowned for its creamy, crumbly texture and rich flavour. Expertly blended with the delicate, fruity sweetness of pure cranberries, this artisanal cheese creates a harmonious balance that tantalises the taste buds with every bite—making it a delightful addition to our festive platter seasonal special.

### BRIE WITH TRUFFLES

Carefully ripened to perfection, this cheese allows the rich aromas of truffles to infuse seamlessly into its paste. The bold, buttery flavour of the Brie harmonises beautifully with the intense, earthy notes of truffles, resulting in a refined and perfectly balanced fusion that elevates any culinary experience.
